Planning Department and managing bodies  
2002 Organizational Chart

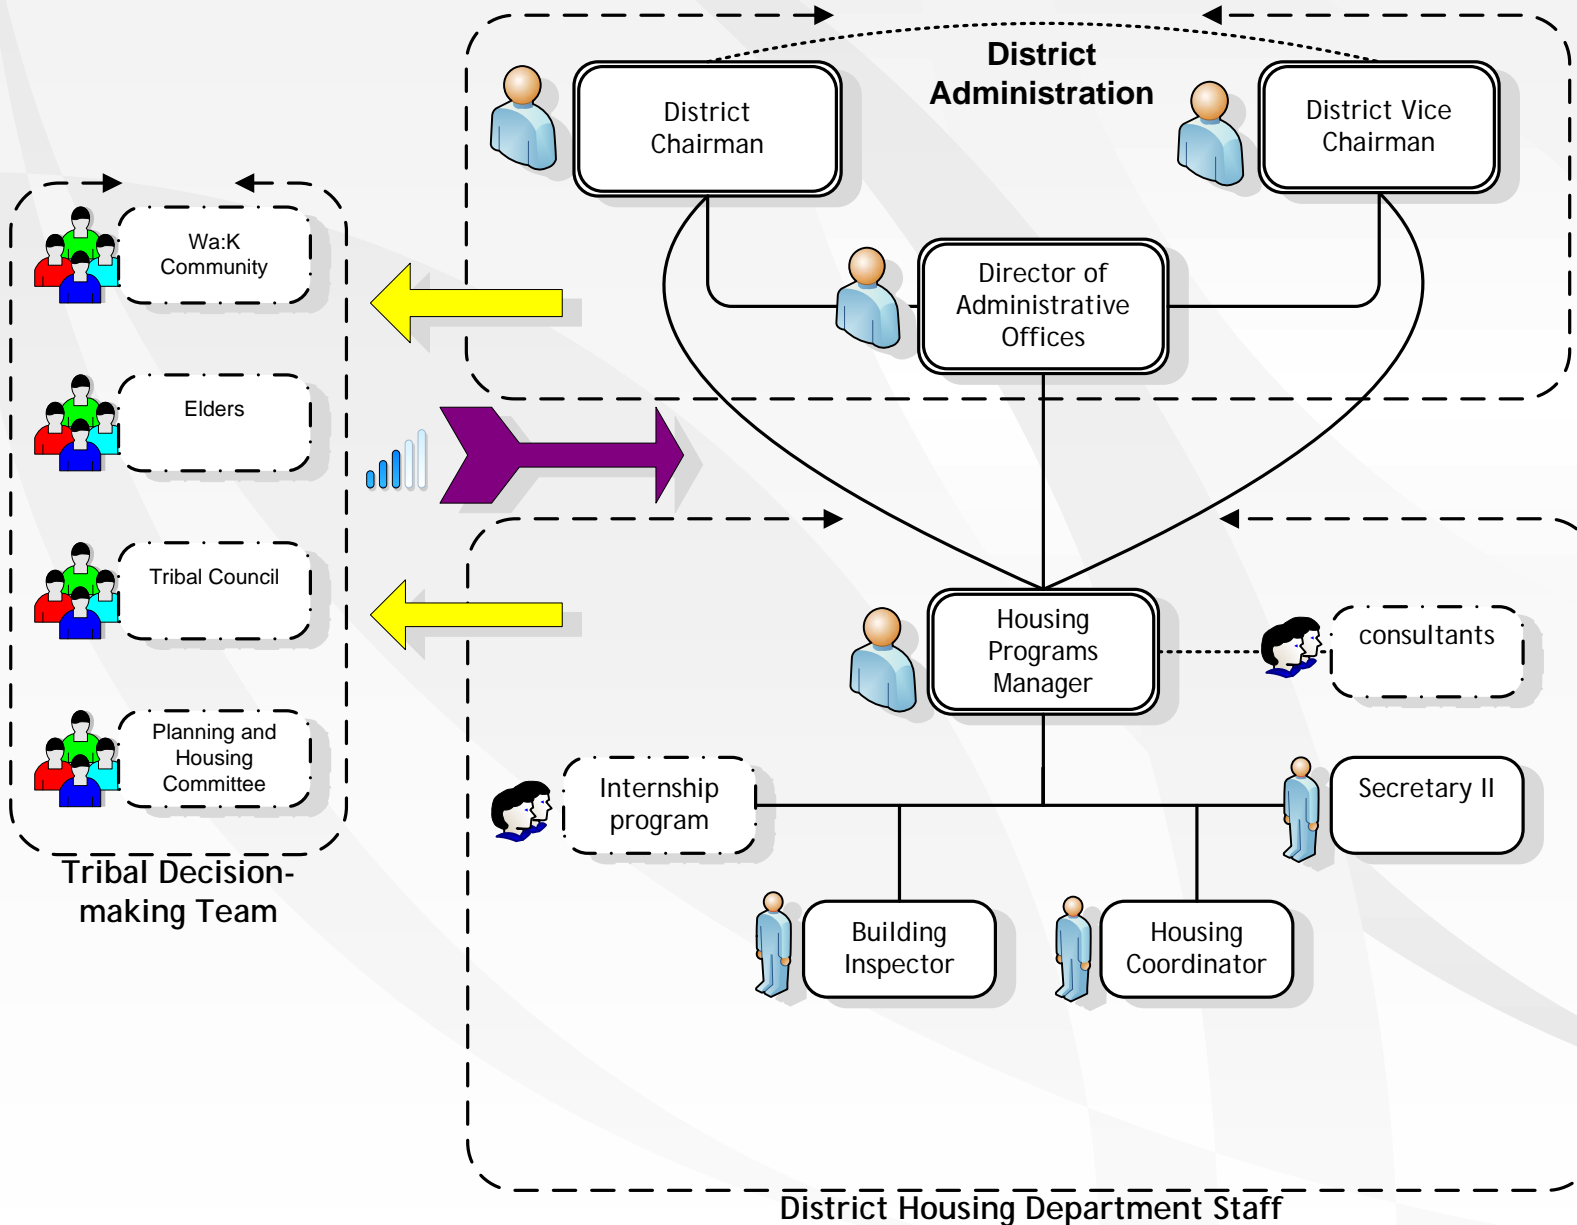

By 2002, departmental reorganization allows the Planning Department to focus solely on planning programs. This shuffle and new staff allow for focus on new projects for the District such as grants and capital projects.

The Planning Administrator (formerly the Planning Supervisor) follows the same chain of command as in 1999.

District review process is still the same as in 1999, however a new department dedicated solely to housing programs coordinates with Planning on matters related to the Planning and Housing Committee.
